### **Harding Avenue Roadway Improvement Projects Lane Closure Update**

**Miami Beach** –Beginning on Tuesday, February 7th, there will be double lane closures at night on Harding Avenue (75th Street to 88th Street). Nighttime lane closure hours are from 9:00 PM until 5:00 AM, including weekend work. Workers will be installing stamped asphalt pavement in the cross walk areas on mainline and side streets (75th Street - 88th Street). This operation will be complete by the end of next week. Daytime lane closures continue on all side streets (between 75th Street and 88th Steet) while paving and road striping operations take place. All daytime lane closures are from 10:00 AM to 5:00 PM. There will be temporary “No Parking” signs placed around the areas where paving work is being performed. Residents who park in these zones could be issued citations and/or have their vehicles towed. Residents who have questions regarding the parking citations/towing should contact the Miami Beach Parking Authority at 305-673-7505. For more information contact the project’s Public Information Manager, Carlos Sarmiento at 305-499-2410.
